

## SIGN CLINIC @ Fire Safety Day

October is Fire Safety Month, and the Bolinas Fire Department is planning to make house number and street signs again.

A sign we can see in the dark makes it so much easier to find you and your proper entrance.

Hopefully, you'll be able to come to the fire station and make your sign at the sign clinic.

Materials will be provided. If you can't make it to the clinic, just email [itaylor@bolinasfire.org](mailto:itaylor@bolinasfire.org) with a contact number, your house address or street name, your preferred sign orientation (horizontal or vertical), and any other special requests.

Vickisa will make a sign for you with the information you provide. This is all free for you.
