

Chipper Days!

Saturdays 6/19,7/17,9/25,10/23.

The Bolinas Fire Protection District is sponsoring additional chipper days for Bolinas residents to help encourage defensible space clearing.

Register by calling the Bolinas Firehouse at (415) 868-1566

[These are in addition to the June 1st and August 30th dates still available through Firesafe Marin (www.chipperday/marin)]

PLEASE READ:

What CAN go in the chipper?

- Tree limbs up to 8" in diameter.
- Shrubs, brush, limbs, woody bushes, broom species, cypress, juniper, firewood.
- Lay all vegetation the same way with the base of the branch or plant at the same end.

WHAT WILL NOT BE TAKEN FOR THE SAFETY OF OUR CREWS?

- Trash, poison oak, blackberry brambles, construction materials, lumber, regular yard waste, leaves, lawn clippings, bamboo roots, roots with rocks/gravel/dirt.
- Bagged or tied materials of any kind.

Pile Size: 4'x4'x12'

- Please don't stack piles in front of hydrants or blocking roads.
- Please do NOT make piles until 2 weeks prior to your chipper day.
- Piles must be on the edge of a road, NOT a driveway, to ensure the large truck and chipper can safely access.
